"In the Spirit" is an accumulation of all the pep, vigor, and energy that can be found in Varina High School. This spirit has made VHS what it is today: an enthusiastic school supported by enthusiastic students. Especially during the year 1980-1981, Varina has had a strong improvement in attitudes. Pep rallies have become fun instead of just being a way to escape the monotony of classes. Classes are participating more as units rather than as a few hardworking individuals.

The excitement that has been provoked this year, however, is more than just a way to raise money and make the school seem adequate. Feelings of loyalty and pride have somehow reached into people who have never experienced them before. Even though the cheerleaders, band, and other peppy groups feel somewhat responsible for this sudden change, they receive just a portion of the overall credit. The remaining credit should be given to the student body as a whole and to the faculty. Yes, even the school faculty has become involved and arrives weekly to see football games. They, too, deserve praise for faithfully supporting the students and the school.

Who doesn't remember the Banana Eating Contest and Football Player Kissing Contest, sport events, assemblies, and special school productions devised to create spirit and make each school year seem even better than the one before? Many students have become excited about the idea of supporting their school. They appear regularly at practically every function. These are the individuals who will be known throughout the school and community as being true Varinians.

Everyone was ready for another one of the spirited pep rallies. This year Varina had its first Sexiest Legs contest. The winner was William Raynor while Randy Mulik and John Brockwell came in second and third place.

# Homecoming . . .

# The Prom, at Last!!!

The prom was finally here. Many Juniors began preparing for it. Raising money was going to be the biggest hassle. The next important thing to do was to pick the theme and what the decorations would look like. With a big effort from the Juniors, the gym was decorated with streamers and pictures of France. The lobby was to be the scene for a French cafe.

Around eight, couples began to arrive. They were welcomed by Junior Class president Joel Schmick. Senior Class President Mike McCabe then thanked the Juniors for all they had done. Everyone enjoyed the music of the popular group "Power Play."

Many Seniors began to realize this would be their last prom as they took their place in the Senior Figure, the Eiffel Tower. "Eighty-One" was to be their next figure. This would be one night to remember.

The stadium filled early with proud parents and friends. The air buzzed with anxious seniors ready to parade for the last time as a class. Young men and women marched onto a decorated football field as the band played "Pomp and Circumstance." Speeches by the top three academic members of the class stirred the audience to tears, laughter, and occasional reverence. Students received awards for excellence in their particular fields. Diplomas and mortar boards almost touched the sky as the last senior became a graduate. The past twelve years of homework and term papers culminated in a ceremony too short for the hard work.

Under the direction of Coach Richards, and the leadership of captains Mike McCabe and Darryl Metheny, the Blue Devils started off as an undefeated team. The team was looking real good, until the tragic game — Powhatan defeated us 15-14. Things began to pick up again when Varina defeated Midlothian 8-7 on Homecoming night. # Girls Jump for High Stakes

This year's basketball record shows only who won and who lost. It does not reveal the heartrending closeness of the games. Coach Hunt worked hard to strengthen his team to victory. ## Runners Test Their Strength and Endurance

Under the leadership of Coach Mark Chamberlain, the cross country team competed in the district meet. Although the team as a whole did not place, juniors Kenny Craft and Robbie Petres advanced to the regional competition, and they placed twenty-first and twenty-sixth from a field of seventy-seven participants. 1981-82 Cheerleaders

1980-81 Varsity Basketball Team

This year's Softball Team has experienced a lot of success, considering that this is a rebuilding year and only two starters returned from last year's state runner-up team. The lady Blue Devils start five freshmen, three sophomores, one junior, and one senior. This year's success can be attributed to hard work, determination, and faith.

The saga begins with a beard. Coach Chamberlain had promised to shave his beard if his wrestling team advanced to the regional competition. The whole team qualified for regionals, so the beard disappeared. Paul Parten, John Brockwell, Enyl Henley, Mark Acree, and Steve Vermette participated on the state level of wrestling. Even though they did not win, they represented their school and themselves with style.

They help to answer any questions and solve any problems these children might have. Members work as boy-girl teams to these classrooms. Miss Baker and Mrs. Cook are leaders for this group. This year SODA had a new addition to their group. Instead of a SODA Mom, they now have a SODA "Pop," Mr. Fox.

As one of the sponsors of the yearbook this year, I have truly enjoyed working with this year's staff. There are a couple of things that should be pointed out when one considers the making of the *1981 Varinian*. First, almost the entire staff this year was brand new to yearbook work and photography. Only one person — the editor — had ever worked on a high school yearbook staff before. In addition, most of the staff was new to the school as a whole — eight of the eleven staff members were ninth graders.

Varina has always published an excellent yearbook, and these students have done their best to uphold this tradition. They have had the spirit to keep them up when things got difficult. Deadlines, photographic problems, and late night hours are all things of the past now, and we have all learned a great deal from them.

I wish the best of luck to Chris Turner and Mark Proctor in their alumni years. Most importantly, however, I wish the very best of luck to David Craig, who will be the editor of the *1982 Varinian*.

I am proud of the *1981 Varinian* staff, and I will miss them all.

Sincerely,  
Patricia Barnes

The Yearbook Staff wishes to thank those persons who bought patron ads this year. However, we are not able to print these at this time.

## Letter from the Editor:

The year comes to a close just like the yearbook deadlines: *FAST!* This year, I would like to thank the staff for everything. Even through all the arguments, photographic problems, and everything else that happened, I had fun and learned a lot from everyone. I would especially like to thank a good friend, David Craig, for taking over at the end when everyone else dropped off. David will make a great editor next year.

# So Must "In the Spirit"

I would like to make a special dedication of the 1981 *Varinian* to Mrs. Patricia Barnes. Without her the whole book would have never gotten together. Thanks for putting up with us all year.

Sincerely,

Chris Turner  
Editor-in-Chief

As the school year 1980-81 draws to a close, so must *IN THE SPIRIT*. Varina High School will now be a worn, well-read book to some students and a bright, new experience to others. The gym will stand silenced, the sidewalks will be cleared of pushing people, and the field-houses will be locked, one season of athletes will be gone forever. However, new faces will arrive to replace the old ones, and they too will earn places for themselves in the books of Varina's lore.

Many changes have taken place, and many more will occur in the weeks, months, and years ahead of today. But one factor will remain unchanged in our lives: the true feelings we have for Varina High School. Whether these emotions are good or bad, it makes no difference. Varina still was there to provide memories, formulate personalities, and cause her students to mature and learn responsibilities. It all is a vital part of living in the world today.

After graduation, everyone realizes that life takes a drastic turn. Pressure takes its toll, and anxiety attacks begin. Only the strong survive. Meanwhile, Varina looms in the background representing the past and the dreams for the future. This is the idea that "IN THE SPIRIT" expresses; hopes for tomorrow may only be gained by struggles today. "IN THE SPIRIT" — it's a way of life.
